Re: Letter of Thanks and Appreciation

On behalf of the children in our kindergarten and their parents, we would like to express our thanks and appreciation for your support for our school and your generous contribution.

The new computer enables us – the staff – to help the children advance and fulfill their hidden potential.

The donation of playground games has made the children smile, and makes their playtime outside very pleasant.

On behalf of the families and the children – please accept our deep thanks and appreciation for your activities.

We hope to continue working together with your Association for the wellbeing and advancement of the children of GAN DEKEL.

Warmest Greetings,

Shiri Eskar, Director

Avital Madursky, Kindergarten Teacher

cc: Yoel Lavi, Mayor of Ramle

Ofer Todar, Director General of the Municipality

Hedva Kartov, Director, Preschool Division

Gilad Goldman, Director, Education and Youth Division
