Re: **Thank you letter and appreciation for your donation**

We would like to express our great thanks for your thoughtful and active efforts on behalf of the children in the “Belev Hadassim“ emergency intake center.

Your donation succeeded in creating great excitement among all of the children and staff, and, of course, has provided a genuine response to the children's needs.

We will be very happy to continue to work together with you.

Sincerely,

Orly Rubin, Director  
Emergency Intake Center

And from the entire staff
