Rabbi Zohar  
Members of Nitzotzei Hazohar Association

Over the past year, I have noticed the devotion, "stick-to-itiveness," passion and faith of your esteemed Rav and members, supporters and volunteers of your Association.

Over the year, the Association has provided assistance to Gan Hadekel, new immigrants, bar and bar mitzvah celebrants at the Yuvalim School, and have helped them daily and hourly to cope with their difficulties and disabilities.

We in Ramle are lucky to have you, and to benefit from your help. We firmly believe that together we can continue to contribute to improving the quality of lives of those who are in need of us, and who have blessed us with the ability to be able to extend help.

On my behalf, and speaking in the name of the Mayor and the Municipality of Ramle, I would like to express our thanks and appreciation.

Poet Natan Zach has written, "I want eyes always, to see the beauty of the world, to praise the wonderful peerless beauty, and praise the One who made it beautiful and full, so full of beauty." I would like to add my thanks to His messengers – to you – for your deeds, which you have accomplished, and thanks for the deeds you have yet to accomplish.

Wishing you a blessed, good New Year of peace, health, happiness, good deeds and growth.

Sincerely,

[Signature]
