To: Nitzotzei Hazohar Association

Re: Our expression of thanks and appreciation

The holiday of Shavuot is a time of giving, and thanks to Nitzotzei Hazohar people, this year our students have had the privilege of celebrating the holiday with dignity.

We would like to thank you and the Association members on my behalf and on behalf of our students and staff, for your wonderful work on behalf of the children at the Yuvalim School.

Thank you so much for donating the "bikurim" – the first fruits – from the children's kindergartens, which succeeded in making our students and staff happy, and which led all of us in celebrating this very enjoyable festive holiday in a way that was very successful for everyone.

Sincerely, and with appreciation,

Merav Simovitz, Principal,

The Yuvalim School
